Exit buttons may be used with Compact, Switch2, Net2 or Paxton10 systems. They are supplied with a choice of black or white covers. The E series exit buttons are available in three sizes and are only suitable for interior use.

The E75 exit button fits on a standard UK recessed backbox.

The green LED is lit continuously. When the exit button is pressed, the green LED flashes to indicate that the door is unlocked (only when used with Switch2 and Net2).
