

Paxton10 PaxLock Pro - Mortise Paxton10

Overview

The PaxLock Pro represents Paxton's 3rd generation of electronic door handle; offering a robust, featureful and aesthetically pleasing product suitable for a multitude of installations.

The new patented design has been created to be both simple to install, intuitive to use and backed up by Paxton's market leading 5 year warranty.

Offering two modes of operation the user can choose to use the PaxLock Pro as a standalone offline device, or connect it to a Paxton10 system via a Paxton10 Wireless connector.

Features

- Dual frequency reader
- Wireless real-time event reporting
- When PaxLock Pro - Mortise is unlocked the handle moves freely
- Dual standalone and online functionality in one unit
